The probation officer believes that the person under supervision has violated the following condition(s) which require(s) official notification, although no Court action is being recommended at this time.

**Previous Court Notifications**

In a petition filed on March 4, 2021 with U.S. District Judge Ralph R. Beistline, District of Alaska, the Court was notified of Hayden Beard's violations of supervised release when he was arrested for Driving While Intoxicated (DWI), in Hood County, Texas, on February 7, 2021. At the request of the U.S. Probation Office in the District of Alaska and the Northern District of Texas, the Court did not take any punitive action for Mr. Beard's violations at that time.

In a Transfer of Jurisdiction request filed with Your Honor on March 8, 2021, the Court was notified of Mr. Beard's violations and no punitive action from U.S. District Judge Beistline. On March 9, 2021, Mr. Beard's jurisdiction was transferred to the Northern District of Texas, Fort Worth Division.

**I.****Violation of Mandatory Condition No. 1**

You must not commit another federal, state, or local crime.

**Violation of Additional Condition (Added December 1, 2020)**

The defendant shall not consume or possess any alcoholic beverages during the period of supervision unless for the exclusive purposes of employment. This consumption of alcoholic beverages shall only be while the supervision of his employer.

**Nature of Noncompliance**

On August 18, 2021, Mr. Beard pled guilty and was sentenced for his DWI charge, Hood County, Texas. Mr. Beard was sentenced to an 18-month term of probation, \$1000.00 fine, \$455.10 court costs, \$60.00 monthly supervision fees, and 70 hours of community service supervision.
